This Sunset Park home presents a unique opportunity to create the space of your dreams! Solid block construction, impact-resistant French doors, and hurricane-impact windows with plantation shutters offer durability and style. A luxurious travertine walkway guides you to a stunning Pebble Tech pool, spa and spacious travertine deck, ideal for hosting gatherings. Inside, you'll find a spacious layout with a large, light-filled living room, and generous kitchen-family room combo. Travertine and wood-like ceramic tile flow throughout the downstairs, while hardwood floors grace the upstairs. The expansive primary suite boasts a remodeled en suite with a luxurious glass walk-in travertine shower and riverstone tile floor. The fully fenced backyard is ideal for entertaining, complete with landscape lighting. A circular driveway with a gated entry to the detached garage adds to the home's curb appeal.
