\$925,000

4 Bedroom, 3.00 Bathroom, 2,534 sqft

Residential on 0.25 Acres

SUNSET PARK, TAMPA, FL

Although this home was flooded by the storm and the newer homes on the block were not, this is an excellent opportunity to build a home "High and Dry." This lot is special because the entire area is becoming its own new village with the addition of newer homes. It has virtually no through traffic, with side streets for riding bikes and sidewalks for walking. North Dundee has many new homes and flows into Sunset, allowing for easy access to the park or a scenic ride around the large pond on the west side.

The area is also just minutes away from private and public schools, churches, shopping, and restaurants. There are so many options that you can't visit them all in a year! Tampa International Airport and private airports are nearby, along with the international shopping regional mall, downtown Tampa with the Riverwalk, cruise lines, private and public boating, the aquarium, the history museum, Glazer Children's Museum, and the Tampa Museum of Art. The Straz Center for the Performing Arts, Amalie Arena for concerts, Busch Gardens, the convention center, and hotels are all within reach. Additionally, there's a major nationally acclaimed transplant and robotics hospital at TGH and a medical school downtown.

It's only 20-40 minutes to the white sand Gulf beaches and an hour and 15 minutes to Disney. This is an excellent property to build

your dream home!
