MIDWAY HEIGHTS, TAMPA, FL

Flooded with natural light in every room, this Spanish Mediterranean-style home, located just minutes from Bayshore, delivers privacy, charm, and access to the South Tampa lifestyle youâ€™ve been dreaming of.

Situated on a quiet street (which stayed dry through all of 2024â€™s hurricanes), the first floor of this block-construction home features four beautiful French doors and oversized windows that bathe the authentic Mexican tile floors in sunlight at all hours of the day. The second floor, adorned with natural hardwood floors, houses all three bedrooms, each with its own bathroom and walk-in closet.

The kitchen boasts custom cabinets, a Sub-Zero Wolf refrigerator and freezer, a Wolf gas range, and concrete countertops.

Step outside the French doors onto a stunning lanai with wood-beamed ceilings, overlooking a lighted Key West-style backyard complete with an outdoor grill area and fire pit.

The oversized two-car garage includes an additional storage area for tools, as well as two pre-installed overhead storage racks.

Recent upgrades include a new water heater installed in 2024 and new AC units installed in 2025, ensuring modern comfort and efficiency.
