Charming & Updated Virginia Park Home â€“
High & Dry in South Tampa!

Welcome to 3823 W. Obispo St., a beautifully updated 3-bedroom, 2-bathroom home situated on a desirable corner lot in the sought-after Virginia Park neighborhood of South Tampa. Offering a blend of modern upgrades and classic charm, this home features a detached oversized one-car garage and a screened-in paved patio, perfect for outdoor relaxation. Thoughtfully updated throughout, this home is truly move-in ready. The roof was replaced in December 2021, upgraded to hurricane standards for added security. In early 2022, new insulation was installed, the HVAC ducts were replaced, and the air handler underwent a deep cleaningâ€”steps that enhance both air quality and energy efficiency. The HVAC system has also been regularly serviced every six months. Custom closet organizers were installed in all bedrooms, maximizing storage and functionality. In late 2023, the crawlspace was encapsulated, improving moisture control and overall home efficiency. More recently, the garage door cables were replaced in June 2024, and the yard received fresh sod in March 2025, creating a lush, inviting outdoor space. Additional updates include a storm door on the front entrance and a screen door at the back, as well as cabinetry in the laundry area for added storage. The brick patio in the lanai was power washed and sealed in 2023,

preserving its charm and durability. Beyond its numerous upgrades, this home offers peace of mind with no flood zone designation and remained high and dry during the past hurricane season. Nestled in a prime location just minutes from top-rated schools, shopping, dining, and Bayshore Boulevard, this is an exceptional opportunity to own a meticulously maintained home in the heart of South Tampa.
