BEACH PARK, TAMPA, FL

Beautiful move in ready home in the heart of Beach Park located in the Grady, Coleman and Plant A rated school districts. This house is very open and comfortable. The minute you enter, it is welcoming. Stepping into the foyer you see the beautiful hardwoods floors leading you into a

large living room with French doors to a huge covered porch which overlooks the fenced and private backyard and large inground gunite pool. Back inside also off the foyer to left are two bedrooms. The first is set up as an office but has its own closet. It has ample light and a nice

configuration. Also off the foyer past the living room is a large primary bedroom which also opens to the privacy of the rear porch. It is perfect for morning coffee or a relaxing beverage after the day is complete. The bedroom has an en-suite bath with dual sinks, large shower

and separate tub. Additionally there are two large closets, one of which is walk-in. Back into the living room area, is the large dining room perfect for sit down dinners. The kitchen which is impressive is just steps from the dining room. The granite counters and wood cabinets are excellent. A pantry makes storing all supplies super convenient. The kitchen also has stainless appliances and opens to a convenient breakfast room. This too opens to the porch on one side and on the other flows into a great family room with a solid brick woodburning fireplace and handsome wood

mantle. This entire space is perfect for any entertainment needs. A door from the family room also leads to a landing and then steps to the large back yard. And also off the family room is a hallway leading to two nice sized bedrooms and hall bath. This bath also has granite counters and dual sinks. And off this hallway in the laundry room which leads to the double car attached garage. There are ample closets throughout the home. There is so much attention to detail in this home that it makes you feel at home. And the property itself is just beautiful as well.
