PALMA CEIA PARK A RESUB OF BLO,
TAMPA, FL

This Palma Ceia Park gem has been meticulously maintained by the original owners. This 5 bedroom/4 full bath home lives and feels so much bigger than the measured 2,676 square feet. Located in a top-rated school district (Roosevelt/Coleman/Plant), this home features an open floor plan, 4 bedrooms up and 1 bedroom and a home office down. The large kitchen boasts a large island with storage, 42" wood cabinetry with crown detail, gas cooktop, stainless steel appliances (including a newer refrigerator) and granite countertops. The downstairs bedroom and adjacent full bath make for a perfect in-law suite or can serve as a second home office. The primary suite features a generously sized bedroom, oversized walk-in closet, bathroom with double vanity and undermount sinks, garden soaking tub, large walk-in shower, and a separate WC. There are 3 secondary bedrooms upstairs: two share a Jack & Jill bathroom with 2 sinks; each has a double closet. And the third bedroom has a walk-in closet and an en suite bathroom. The laundry room is on the second level; there is a tub sink, and the washer and dryer convey. The owners added a second screened porch with sliders that pocket back to create a very large, screened space. The yard is completely fenced and there is plenty of green space. Both porches and the driveway are brick paved, and the driveway can accommodate up to 5 vehicles, depending on size. Entire

interior and exterior recently painted.
Plantation shutters throughout. Hardwood on first level and on stairs and new carpet in all bedrooms. Tankless gas water heater. Garage fridge conveys. 17.5-foot elevation; home has never flooded.
