SNELL ISLE SHORES, ST PETERSBURG,
FL

Take a look at this cherished Snell Isle waterfront home, offered for sale for only the second time since 1952. Situated in a prime location, this residence offers abundant living space and a backyard oasis. The pool glistens in the large, sunny backyard where dolphin and manatee are seen daily. With four bedrooms and three baths, this meticulously maintained home seamlessly blends vintage charm with modern comfort. Highlights include the newer kitchen open to informal living/dining space, separate formal living and dining areas, a large, covered patio off the downstairs living space, an indoor laundry room with ample storage, an office or fourth bedroom on the first floor, and a private courtyard entry. French doors and tall windows downstairs, along with a large deck off the primary suite, allow for generous views of the water from almost every part of the house. One look at this home, and you will understand why St. Pete was voted one of the 15 happiest places to live in the U.S. The vibrant downtown waterfront, Central Avenue shops and restaurants, world-famous art museums, and white sandy beaches are minutes away by bike, car, or boat.
