Why settle for ordinary when you could have cannonballs and poolside sunsets, a chef-worthy kitchen, and a layout that works for real life and looks like Pinterest? Welcome to your Florida dream home in Odessa's award-winning community of Asturia, where luxury meets comfort and good vibes live year-round. This stunning Gemstone model by David Weekley blends one-story ease with two-story flexibility. With an incredible pool and spa, THREE CAR GARAGE, 4 bedrooms, 2.5 bathrooms, a dedicated office with French doors, and a main-floor primary suite, you'll have space to work, relax, entertain, and repeat. The oversized 4th bedroom upstairs (bonus room was upgraded during original construction!) is currently a movie room, but it's big enough for guests, gaming, a home gym, or a second office if needed. The heart of the home? A show-stopping kitchen with quartz countertops, natural gas cooktop, stainless steel appliances, built-in double oven/microwave combo, large island with deep stainless sink, sleek backsplash, and a pantry with shelving. This is where serious cooking meets serious style. The open-concept great room features a custom fireplace accent wall and sliders that lead to your private backyard oasis. Out back, you'll find an extended lanai, heated saltwater pool and spa, built-in natural gas connection for your grill, and professional landscaping including turf, fresh mulch, and updated lighting. Whether you're hosting a

weekend cookout or winding down with a glass of wine, this space delivers major resort energy. The primary suite is tucked privately on the main floor and feels like your own little retreat, complete with custom tile, granite counters, dual sinks, a walk-in shower, and a built-in closet system that makes organization feel like self-care. Extras? Oh yes. Hurricane shutters, gutters, underground utilities, water softener, energy efficiency, dual-pane low-e windows, block construction, and NO flood zone. Plus, the home held strong through recent storms with zero damage. And you won't believe the amount of storage it's practically a superpower. The curb appeal is on point too, with a charming Craftsman-style porch, designer full-light glass front door, and magazine-worthy landscaping. Pressure-washed driveway, sidewalks, and pavers are already done for you. Best of all? You're part of Asturia, which means access to a resort-style pool, fitness center, clubhouse, dog park, playground, and scenic trails. All this is just minutes to shopping, medical, restaurants, GREAT schools, the Veterans Expressway, downtown Tampa, and some of Florida's best beaches. So if you've been dreaming of a home that looks good, lives even better, is energy efficient, built to the latest codes, practically new, and makes every day feel a little more like vacation this is it. Come see it before someone else beats you to your floaty. For more exciting things about this home: bit.ly/15241Caravan
