STARKEY RANCH WHITFIELD PRESERVE
PH 2, ODESSA, FL

Welcome to your next-level Florida lifestyle—where luxury, space, and design collide in one unforgettable residence. This Taylor Morrison Tortola pool home is not just upgraded—it's completely elevated. Tucked on a premium .38-acre pie-shaped homesite on a quiet horseshoe-shaped street, the house sits gracefully on the curve, providing enhanced privacy on each side and the kind of setting that feels more like a private estate than a typical neighborhood lot. No rear neighbors. No compromise on space or serenity. From the moment you arrive, the curb appeal stuns with a flat tile roof, 3-car split garage, shell lock paver driveway, and a welcoming Craftsman-style front porch. Step through double glass doors into a soaring 22-foot foyer where an elegant wood and wrought iron staircase sets the tone. And yes—tile flooring runs throughout the entire first floor because luxury should be beautiful and practical. At the heart of the home is a gourmet kitchen that goes far beyond builder-grade. Featuring quartz countertops, shaker cabinetry, upgraded stainless GE Monogram appliances including a gas cooktop with an infrared heat lamp, range hood, reverse osmosis system, and a walk-in pantry, it's a space designed for both function and flair. The oversized island, pendant lighting, dry bar with wine fridge, and under-cabinet lighting elevate the space for entertaining or everyday living. Zero-corner sliders fully

pocket into the wall, creating a seamless indoor-outdoor transition to your private backyard retreat. The covered paver lanai leads to a stunning saltwater pool and spa with sun shelf, swim-out, and plenty of room for lounging, dining, grilling, and soaking in the quiet. It's all professionally landscaped, screened in, and fully fenced for maximum privacy and enjoyment. The first-floor primary suite is a luxurious escape with pool views, dual vanities, custom walk-in closets, a spa-style shower, and separate water closet. Also downstairs is a fifth bedroom with an ensuite bath—perfect for guests, an office, or a nursery. Upstairs, three oversized bedrooms all feature walk-in closets. One has its own ensuite bath, while the others share a dual-vanity bathroom with a private bath area. A spacious bonus room offers flexible space for a media room, gym, or lounge. Additional upgrades include brand new interior paint, a whole-home four-stage water filtration system, automatic shades on the sliders, French door refrigerator, upgraded bathroom tile, satin nickel finishes, EV charger in garage, epoxy garage floors, water softener, and custom drop zone cabinetry with quartz near the garage. Located in Whitfield Preserve at Starkey Ranch, one of Tampa Bay's most desirable master-planned communities. Enjoy access to 22+ miles of scenic trails, multiple resort-style pools, playgrounds, dog parks, sports fields, community gardens, and the on-site K-8 school and public library. Publix, restaurants, shops, and medical facilities are minutes away, and you're just 30 minutes to Tampa International Airport and world-class beaches. This is more than a home—it's a private, custom-designed lifestyle experience with every detail dialed in. Home is in excellent condition with no storm damage or insurance issues.
